Please allow me to introduce myself and my business to the community. My name is Robert (Bob) Miller; I am a graduate of Wahoo High School; after which I went on to earn my Bachelor’s Degree in Business Administration from Colorado Technical University. I have vast experience in the financial services industry including personal banking, business banking, credit, lending and personal financial planning.

My family and I live in Ceresco, NE, where we have made our home for the last 6 years. My wife Dawna, and 5 children; Kordell (19), Maiya (17), Zavier (11), Alli (9), and Addie (4) are proud to call Ceresco our permanent home. Over the years I have been active in the Ceresco community through the Ceresco Recreational Board and was an elected member of the Ceresco Village Board of Trustees serving until November 2015.

I have a passion to help others and I believe in building life-long relationships and I am driven every day to help others succeed financially. For this reason, I am now available at \*CerescoBank. My philosophy is to build a strong financial plan from the ground up, establishing a foundation of risk management to help ensure the opportunity for a successful financial future.
